Private Patient **Managers**

As West Valley Hospital is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient Manager service.

Our Private Patient Managers are available throughout consultation, treatment and aftercare to offer a personalised service to each patient dependent on their needs and wishes. They are able to provide the vital link required between patients and their Consultant facilitating a streamlined treatment pathway.

What our Private Patient Managers offer

- A point of contact for all private patients.
- Manage the private patient journey.
- Answer private patient queries within 24 hours Monday to Friday.
- Walk patients through the various stages of their private treatment and help with queries or concerns regarding referrals, insurance or anything else relating to their hospital stay.
- Ensure any special requirements are met before, during or after a patient's visit.

Our Private Patient Managers can be contacted via:

020 3946 0010

GP Liaison **Officer**

In order to facilitate relationships between West Valley Hospital and the wider healthcare community, we have a dedicated GP Liaison Officer working in a 25 mile radius. Christine Mitchell is responsible for building and developing relationships between those referring their patients and the hospital providing this treatment. She is able to utilise the expertise of our Consultants to provide training and educational events to GPs, Practice Managers, Nurse Practitioners and Physiotherapists enabling continued professional development.

What our GPL offers

Christine Mitchell will provide:

- Lunch and Learn educational sessions.
- Consultant-led training for professionals.
- Social events and GP networking opportunities.
- Medical secretary workshops.
- Online referral system support.
- GP referral literature and regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.

Christine can be contacted directly as follows:
